## ADVICE FOR WATER ACTIVITIES

The minimum age for scuba diving and Seawalker is 12 years, however some people may require a doctor's certificate. Certain medical conditions, medications and height restrictions may preclude some people from participating in optional in-water activities. For advice, contact our office.

After a single dive a wait of 12 hours is recommended before ascending to an altitude of 300 metres or greater. If doing multiple dives an interval of 24 hours is suggested. **Snorkelling can be a strenuous activity.** Please use caution and inform our crew of any medical conditions. Always swim between the flags on the patrolled beach.

\* These activities are provided by operators other than Great Adventures.
