LIVEBOARD TRIP - PRIVATE DIVE GUIDE

Certified divers can book their very own private dive instructor for an exclusive dive adventure aboard Pro Dive Cairns 3 day/2 night liveboard trips. The experienced instructor will act as a dedicated guide on all 11 dives throughout the trip ensuring guests get to explore the very best of our exclusive dive sites.

They will take you to those special places which may be a little harder to find and navigate you back to the boat to avoid unnecessary long surface swims. This will allow guests to get the most out of each dive/snorkel throughout the trip.

A private guiding option can be customised for non-certified divers and snorkellers by arrangement.

The Quicksilver Group is pleased to introduce a range of **private guiding products** to provide truly personalised and tailored Great Barrier Reef experiences.

Whether it be guests wishing to learn more about the incredible environment with a private marine biologist snorkel adventure, or those desiring an impactful and private scuba dive, to a fully escorted day, expert staff will create memorable and life-enhancing experiences.
